I would like to build this site with multiple pages. The first will be an overview of what the Met Gala is. I then want to make a page on each of the last three themes of the met gala.

Page 1: About the Met Costume Institute Gala

Page 2: 2019 Theme- Notes on Camp

Page 3: 2018 Theme-Heavenly Bodies

Page 4: 2017 Theme- *Rei Kawakubo/Comme des Garçons*
